Principal's News

Attention all 8th Grade Parents:

If you are living outside of the attendance area of the High School you wish your child to attend next school year, you must complete an intra-district transfer form. Pick one up at the District Office or at any school site. Complete the form and bring it to the high school. The district office is now accepting these for the 2010-2011 school year.

Concerned with the your students report card grades?

Please contact your child's teacher with any concerns. Teachers can be reached by calling their room directly or by e-mail. Please keep in mind that teachers are instructing students all day with the exception of their prep time. All teachers have voicemail and will return your call as soon as possible. The best times to call are

before school, after school and prep time. A teacher directory with class phone numbers, prep time and e-mail addresses is available in the school office.

Weekly Progress Reports, also known as the pink sheet in the office, can be picked up at anytime by your child and brought to each of their teachers when they go to class. This is a great way to stay informed of your child's progress and a chance for your student to show responsibility.

OOPS! Find the Error. Please read through the newsletter carefully.

Somewhere, within the articles of the newsletter a misspelled word or a typo may be found. The first three students who come to the office and identify this error in the newsletter will receive a sheet of pride cards. Read, read, read!
