Board of Trustees meetings are meetings of the Board in public, as per the Brown Act open meeting law. All five Board Members may not have discussion outside an open meeting. This meeting is their opportunity to have discussion in order to conduct their business. Board Meetings are not meetings for the public to interact informally with the Board. Members of the public may speak formally to the Board by completing a speaker card and giving it to the Board Clerk or Communication Specialist.

If a person or group of persons disrupt the orderly conduct of a meeting, the legislative body has a right to order those persons removed from the meeting. If order still cannot be restored after removal of the individuals disrupting the meeting, members of the legislative body can order the room cleared and continue with the meeting. (Government Code §54957.9; Penal Code §8403; Elections Code §18340; Acosta v. City of Costa Mesa (9th Cir. 2013) 718 F.3d 800; White v. City of Norwalk (9th Cir. 1990) 900F.2d 1421, 1425.)

OUR UNITY OF PURPOSE: We work as a cohesive Governance Team through discussions, actions and decisions that are thoughtful, respectful, and sensitive. We support one another in and away from the Board Room through active listening, vulnerability and honesty. We make policy decisions that ensure equitable support to increase student achievement and foster social, emotional, and physical well-being for all students.

OUR MISSION: Enriched by the diversity and deep traditions of our unique community, Amador County Public Schools will prepare, support, and inspire each student to achieve career and college success in a rapidly evolving world through highly engaging teaching, rigorous learning and innovative pathways supported by strong partnerships in a safe, caring and collaborative environment.

1. Updates to CDPH Guidance/ Mandates Related to COVID-19 and ACUSD Health and Safety Plan During COVID-19 for a Safe Return to School for the 2021-2022 School Year (As Needed) (Dr. Gibson/Mr. Snider)
   This will be a standing agenda item throughout the year as we will need to update the Board of Trustees on CDPH mandates and guidance that could require modifications to
our health and safety plan. All updates are noted in the safety plan in red font. Once approved by the Board, it will be updated on the ACUSD Website under COVID-19 Dashboard.

2. **Elementary and Secondary School Emergency Relief (ESSER III) Expenditure Plan (Mr. Snider)**

Local Educational Agencies (LEAs) that receive ESSER III funds are required to develop a plan for how they will use ESSER III funds to, at a minimum, address students’ academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic. Finally, LEAs must provide the opportunity for public input and take such input into account. The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before October 29, 2021 and must be submitted to the California Department of Education for review and approval within five days of adoption.

3. **Certification of the District’s Unaudited Actuals & Financial Report (Mr. Critchfield)**

Per Education Code 42100, the County shall approve, on a form prescribed by the Superintendent of Public Instruction, an annual statement of all receipts and expenditures of the District for the preceding fiscal year. The report is included under separate cover and includes the Unaudited Actuals for 2020-21 and Adopted Budget for 2021-22.

4. **Amador County Unified School District Special Education Update and Needs (Dr. Gibson)**

Special education in Amador County has faced challenges over the last decade. Recently, it was determined that ACUSD and ACOE are both under review by the California Department of Education (CDE). ACUSD is currently in a Targeted Review and ACOE is currently in an Intensive Review (see attachments in items 4a and 4b for details on the ACUSD status). This notification was sent to ACUSD on January 31, 2020 and was not brought to the Board for discussion. The Special Education Plan (SEP) was created and submitted to CDE on March 16, 2020 and approved on June 9, 2021.

Currently, ACUSD will need to update the plan as portions are out of date and the organization has experienced a leadership change with the Superintendent and Special Education/SELPA Director. The current Superintendent is working closely with CDE to determine current needs as this is new information to our leadership, staff, community and Board.

This document was provided to ACUSD leadership in January, 2020. To date, it has not been presented to the Board or community for review.

b. **ACUSD 2019-2020 Special Education Plan (SEP) including SEP Assurances Form and SEP Successful Submission Notification from CDE (Discussion Only)**

This document was provided to CDE in March 2020 as required by letter from CDE in
item 4a above. To date, it has not been presented to the Board or community for review.

c. **Contracted Services with West Ed for Review of Special Education Programs and Services (Scope of Work) (Action Required)**

This contract is necessary in order to evaluate current programs and systems throughout the ACUSD and ACOE special education programs. West Ed will do a deep dive into programs and provide specific recommendations to support the review process ACUSD and ACOE are currently under. A presentation by the West Ed staff will be provided to better explain the scope of work needed to meet our long-term needs.

5. **New Job Description - Special Education Technician (Ms. Crumpacker)**

The Special Education Technician receives general supervision from the Director of Special Education. The Special Education Technician is responsible for entry/journey/advanced level specialized and technical work as it relates to the collection, verification, and processing of information and data for the purpose of delivery of various special education services throughout the Amador Unified School District. The Special Education Technician is responsible for ensuring the accuracy of special education student information data in coordination with the District CALPADS technician for submission to the California Department of Education. Additional duties include the creation and monitoring of SEIS user accounts, running ongoing CALPADS Reports, creation of student SEIS records, processing transfer requests of student SEIS records between districts, and updating student SEIS records.

6. **Native American Heritage Month Board Resolution**

November is Native American Heritage Month, which was designated on August 3, 1990. Since then, Presidents have issued annual proclamations promoting this observance.

Amador County Unified School District honors and recognizes the Native American culture, traditions, heritage, art, and contributions of our students, parents and community members, and encourages all schools to commemorate the month of November with appropriate activities and programs.

7. **Contract with Ray Morgan Company for Laserfiche Services (Mr. Critchfield)**

The District Office processes a large amount of paperwork each year and must follow document retention guidelines for prior-year paperwork. This leads to numerous boxes of paper being stored onsite which can be vulnerable to theft or fire. Document retention guidelines allow for electronic versions of documents to be stored indefinitely. This contract with Ray Morgan Company would allow the District Office to scan documents to a cloud-hosted server and store such documents indefinitely in a secure way, which would also free up much-needed space in the District Office. This contract also includes access to the Laserfiche software which automatically files documents as they are scanned in, which would save huge amounts of time for District Office personnel.

14. **REPORTS**
1. Report from Superintendent (Dr. Gibson)

2. Reports and Remarks from Board Members
