Board of Trustees meetings are meetings of the Board in public, as per the Brown Act open meeting law. All five Board Members may not have discussion outside an open meeting. This meeting is their opportunity to have discussion in order to conduct their business. Board Meetings are not meetings for the public to interact informally with the Board. Members of the public may speak formally to the Board by completing a speaker card and giving it to the Board Clerk or Communication Specialist.

If a person or group of persons disrupt the orderly conduct of a meeting, the legislative body has a right to order those persons removed from the meeting. If order still cannot be restored after removal of the individuals disrupting the meeting, members of the legislative body can order the room cleared and continue with the meeting. The Educator Effectiveness Block Grant provides funds to support professional learning for teachers, administrators, paraprofessional educators, and other school staff. The California Department of Education has approved 10 areas for the Educator Effectiveness funds to be used to support professional learning. Each area is detailed in the accompanying grant plan.

In order to create a plan that is a meaningful and relevant as possible for all of our employees each bargaining unit’s leaders were asked for ideas on professional development topics to be included. A survey was also sent to all employees to ensure everyone had an opportunity to provide input.

The local plan for the Educator Effectiveness funds needs to be heard in a public meeting of the governing board of the school district, the county board of education, or governing body of the charter school, before its adoption in a subsequent public meeting.
