If yes, Maintenance Department completes this section.

Required materials for installation: _____

Labor costs of installation: _____

Total: _____ **

Maintenance Director's Signature: _____

Name of Donor/Contributor: See above & attached

Mailing Address: _____

Town: _____ Zip: _____

Telephone No.: _____

Have you acknowledged receipt of gift/contribution with a thank you letter? [X] Yes [] No
(If yes, please attach a copy of thank you letter.)

Note: If maintenance and material costs for installation are unbudgeted or prohibitively high, the Superintendent may recommend Board rejection of the gift/contribution.

AMADOR HIGH SCHOOL

A California Distinguished High School

330 Spanish Street ~ Sutter Creek, CA 95685 ~ Phone (209) 257-7300 ~ Fax (209) 267-5942

Principal: Mrs. Jessica Dorris ~ Vice Principal: Mrs. Nicole Gravette

Amador County School Board,

In a little over a month from meeting to completion, our softball outfield at Amador High School was completely transformed. Over the past few decades that field has been used by hundreds of high school softball, football and soccer players, PE students, Sutter Creek Elementary students at recess, youth softball, and Jr. Buffs football teams. Like many of our fields in the county, constant use combined with ground squirrels, irrigation issues, and lack of maintenance funds have left the outfield destroyed and completely unsafe. Many wonderful people in this community saw a need to re-do the outfield and came through in a big way. As a teacher at Amador and the current head softball coach, as well as a parent and lifelong resident of Amador County, I am so humbled and grateful for all of the contributions.

Thank you Mr. Critchfield and Mrs. McCrory at the district office for listening to my concerns and accepting the plan, volunteers, and donations to help fix this field.

Thank you Amador High Administrators, Admin Secretary, and Athletics Director who support our teachers and coaches everyday.

Thank you Mr. McCrory for countless hours on the tractor from start to finish on this project.

Thank you Campbell's Construction for donating all of the trucking and people to remove the old dirt and bring in the new dirt and a tractor to help get it ready. Thank you for helping to secure donations as well.

Thank you Shenandoah Excavating and the Lubanko family for donating tractors and an operator.

Thank you Mr. Reagan, Mr. Pinochi, and Mr. Bennett and Mr. Lubanko for donating time and equipment to move and rip in the 150 yards of new dirt to be mixed into the freshly scraped outfield.

Thank you Simmons Landscape Company for sending an entire crew to work all day to fix broken irrigation and prepare the field for sod. Thank you for continuing to make sure this project and so many others on campus are successful.

Thank you Utterback Sod Farm for giving a tremendous discount on the sod, trucking it in, spending the day to make sure it was installed correctly, and for lending us the equipment to roll it and set it right.

Thank you U.S. Mine Company for donating the laterite infield.

Thank you Amador High staff, students, coaches, parents, and community members who made up the 40+ person crew to lay the 38,000 square feet of sod in one day.

Thank you board members who have encouraged and supported me through this process.

I hope that this project shows the community what it used to be and what it still is. People contributing what they can to benefit all.

Sincerely,

Jessica McCarty

AHS Varsity Softball Coach

AMADOR COUNTY PUBLIC SCHOOLS
Acknowledgment of Donation of Gift/Contribution to District

Jackson Rancheria Band of Miwuk Indians,

I wanted to send you a note and personally thank you so much for your generous grant to the Pine Grove Elementary School library. The grant has allowed us to increase our Science, Technology, Engineering and Math (STEM) section, which is critical as we are a STEM school. It has also helped to replace worn books, purchase additional books in the series the students are requesting and continues to provide us with the ability to pick up new fiction, history, technical and reference material as it becomes available. Without your generous donation, we would need to rely solely on fundraising to provide the funds needed to purchase new books.

With great appreciation from the entire student body and staff,

Thank you again,
Julie Morgan

Fiddletown, CA 95629

Mr. and Mrs. Fuller,

On behalf of the Plymouth Elementary School community, please accept my gratitude for thoughtful donation to our school.

Your generosity shows how communities can come together to support students and education.

Please know that your kindness will be shared with as many students as possible.

Thank you again for supporting our public school system.

Sincerely,
