Justification to excess vehicles

The following information is provided for justification to excess District and County vehicles.

1. The 10 listed vehicles on the request to surplus, (8 district, 2 county) are beyond economical repair. These vehicles have not been used for 2 to 3 years and are currently on ACUSD's insurance. Due to the age, mechanical problems and no availability of repair costs, these vehicles will not be used in the future.
2. The majority of these vehicles are located at the old school bus yard next to Jackson Elementary. Recently we have had to evict and remove the property of homeless people who had moved into some of these vehicles.
2. Since the dollar amount of each vehicle is extremely low and in accordance with board policy 3270 and Ed Code 17546, recommend a salvage yard be contacted and a request be made for the cost of removing and scrapping these vehicles.
3. Once vehicles are removed from ACUSD property, the insurance binder can be changed dropping these vehicles and thus saving monies.
