## ACUSD Substitute Teacher Dashboard 11/30/20 - 12/8/20

*\*Subs are at-will employees and not always available.*

- An average of 5 classrooms a day do not get filled with a substitute.
- Substitutes often have other jobs and are not always available to work last minute.
- Currently only 3 campuses have full custodial staff.
- ACUSD has hired 4 custodial subs but are estimating a need of 5 - 10 more to get through cold & flu season.
- During a traditional school year, bus drivers, custodial staff, special education teachers, and math & science teachers are hard-to-fill positions. This is the case even more so during a pandemic.
