California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Argonaut High School is a comprehensive four year school located in Jackson, California. We are part of the Amador County Unified School District. Our mission is to ensure that students grow in mind, body and character so that they fulfill their potential to become lifelong learners and productive, contributing members of society. Graduates leave prepared to enter the workforce, the military or postsecondary education. Our relatively small size and caring atmosphere ensures that students develop positive relationships with faculty and each other and form a strong bond to their school. We are proud to be Argonaut Mustangs!

Argonaut High School offers a comprehensive curriculum, including Advanced Placement (AP) classes in all academic areas and a diverse elective program that offers recently developed academies in technology/business, agriculture and culinary arts.

School Facility Conditions and Planned Improvements

Argonaut High School's buildings and 39 classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to assure that they are sanitary and in proper working condition. The principal walks the site daily to look for hazards and, if found, they are addressed immediately.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17

Mathematics (grades 3-8 and 11)	19%	34%	28%	32%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Argonaut High has many clubs and organizations that encourage parental involvement, including the Argonaut Booster Club, Argonaut Band Boosters, the Quarterback Club, the School Site Council, the Boosters Club Steering Committee, the Ag Boosters and Principal Forums. Many parents informally help with athletics, drama, music and clubs with their various activities.

Parents and the business community have made huge contributions to our school by providing services, facility improvement, materials, equipment, labor and expertise. If you would like to become involved, contact our school principal.

School Safety Plan (School Year 2017-18)

Our School Safety Plan follows the district adopted protocol for responding to various possible emergencies. Each classroom has a flip chart to consult in case of emergency. We conduct fire and earthquake drills and lockdown practice. We have increased safety tremendously by installing a school wide communication system in 2005.

A school resource officer, counselors, the campus supervisor and custodial staff all help in patrolling the campus during school hours to promote safety, prevent violent or destructive behavior and to maintain a clean campus. We enforce the Student Conduct Code to ensure safety and a positive learning environment. We report safety hazards and system malfunctions and the district maintenance staff responds as quickly as possible. Additionally, five security cameras have been installed on campus.

Our school safety plan is reviewed annually, taken to the school board for adoption and available.

Types of Services Funded (Fiscal Year 2016-17)

The 2014-2015 California budget introduced the Local Control Funding Formula (LCFF), dramatically reforming California’s educational funding system. The LCFF eliminates most categorical funding streams, replacing them with funds based on each LEA’s student demographic profile. The LCFF institutes a change in LEA accountability for unrestricted funding in the form of a three-year, annually renewed, Local Control Accountability Plan (LCAP). We offer a broad array of support and intervention services, AP courses and electives that include art, drama, music, agriculture, hospital, technology and culinary arts.

Professional Development

16/17: 4.5 days

15/16 4.5 days

14/15 4.5 days

In the 16/17 school year, we had a total of 4.5 days in the Amador County Schools calendar set aside for professional development and continuous professional growth. The areas of focus for these 4.5 days were selected using student achievement data, teacher surveys, needs determined by our Single Plans for Student Achievement, the new Common Core Standards, our instructional leadership team feedback, and implementation strategies thereof, as well as results from Response to Intervention classwork.

Professional development is delivered via after school workshops, summer institutes, release days and conference attendance – along with individual teacher mentoring. Teachers are supported through these processes with in-class coaching, teacher/principal coaching and discussions with focus on our project-based minimum days. Our district has a current focus on math, NGSS, literacy, and using high-leverage strategies.
