

WHAT IS THE SELPA?

SELPA stands for Special Education Local Plan Area. The SELPA is responsible for ensuring every eligible child, birth through 22 years of age, receives appropriate services. Our goal is to provide quality special education programs and services to students with disabilities in the most effective manner.

WHAT IS THE CAC?

The purpose of the CAC is to bridge the communication between the Amador County SELPA and families of students with exceptional needs.

The mission of the Community Advisory Committee is to provide information, education and support to the families of students with exceptional needs.

WHO CAN ATTEND MEETINGS?

All meetings are open to parents of children with and without disabilities, educators, agency representatives and other community members. The majority of the voting membership must be comprised of parents of children with disabilities enrolled within the Amador County SELPA. We welcome everyone concerned with the education of children with special needs to attend.

WE BELIEVE

Our children come first.

We believe in empowering parents.

Our community must support the educational needs of all children.

The best way to help parents be heard is to let them know we are listening.

We can best serve our children when we foster positive relationships among families, schools & community.

All meetings & presentations are open to the public
