

COVID-19 Testing for Amador County Public Schools Employees

We are excited to announce a new COVID testing program beginning February 16, 2021 specifically for the employees of Amador County Public Schools. Testing will be available free of charge for all employees at the locations and times listed below.

Please note: You will not actually register for an appointment time, and you will not receive a confirmation email when you are done. You will enter all of your information and then simply show up at the test site at one of the times below that is convenient for you. You only need to complete the registration one time for the location you choose to get tested. After the initial registration, you can show up on any of the testing days to get tested.

Amador High School

Tuesdays and Thursdays 7:45 – 9:00

To make an appointment for Amador High School, use the link or QR code here:

In addition to the testing opportunities above, Amador County Public Health also has free COVID-19 testing available from **7:00 AM to 7:00 PM on Mondays, Wednesdays, and Saturdays** at the Health and Human Services building at 10877 Conductor Blvd in Sutter Creek. Online registration may be accessed at <https://lhi.care/covidtesting>. Those without internet access may register by calling 1-888-634-1123. Drop-in testing is also available. Drive around to the rear entrance of the building, park in the area designated by red cones, and remain in your vehicle. Testing staff will approach the vehicle with instructions.

Providing easy access to testing is another key mitigation strategy to help prevent the spread of COVID-19, and we are pleased to offer the multiple opportunities above for all employees.
