Best of Both
Coordinate two plans with dual coverage

Are you or your family members covered under two dental plans? Dual coverage doesn’t mean your benefits are doubled, but it can mean added savings on dental costs.

As soon as you’re covered under two dental carriers, let your dental office know. Delta Dental will coordinate with your other carrier to share the cost of your treatment.

Basic concepts
• When you’re covered under two plans, one plan is considered your primary carrier. This carrier will pay a larger portion of your benefits, leaving a smaller amount to your secondary carrier. You can find out how to identify your primary carrier on the back of this flyer.

• Check the plan booklet for your secondary carrier to see if you have a non-duplication of benefits clause. If you do, your benefit will be slightly less than standard dual coverage.

How does dual coverage help me save?
How much you save depends on whether your secondary carrier has a non-duplication of benefits clause.

If a court decree establishes a different order of benefits for a dependent child’s coverage, that decision applies instead.
