**When:** M-F 7:30 – 5:30

**Cost:** \$15 per Half Day (5 hours or less)  
\$30 per Full Day (over 5 hours)

Pre-registration is required as space is limited.

## CONTRACT CHANGES & WAIT LISTS

If you need to change your child's schedule, please fill out a [Contract Change Form](#) and return to your site instructor or the District Office. Contract changes need to be done at least 2-weeks in advance. If you need to add days/extra time, please contact the District Office for availability. You are allowed two contract changes per child at no charge.

Since there are waiting lists at some ELP sites, contract changes are only made if space is available. If you reduce days/times, you will not be able to get them back as your spot will be filled.

## SIGN-OUT PROCEDURE

If you are having trouble signing out on the computer, please find a staff member to assist you! They are trained to troubleshoot the sign-out process and are happy to help. It is required that students be checked out each day.

## Puzzle Madness at Jackson ELP

It has been a Puzzle Madness Month in Jackson Elementary ELP! Children could not stop challenging themselves with putting together puzzles. Many of them moved from simple ones all the way to 100 pieces! Puzzles are an excellent tool for developing self-control, logical thinking, small motor skills, sense of completeness, and they are fun to do by yourself or with a friend! Keep us going by donating new or used (but complete!) puzzles for our program. Let's stay under 100 pieces, please.
