

SAMPLE HYBRID SCENARIO – ELEMENTARY

- Families would have the option of full-time distance learning in a new and improved format, including a designated grade level teacher.
 - For example, all first grade students in the district requesting full-time distance learning would be taught by a centralized first grade distance learning teacher.
- Families desiring the hybrid model would send their child to school two days a week from 8:00 - 11:30 AM.
 - Half of the students would attend in person on Mondays and Tuesdays.
 - The other half of the students would attend on Thursdays and Fridays.
 - Wednesday would be a day for deep cleaning and teacher professional development and collaboration.
 - Students attending in person would be offered a grab-and-go breakfast and grab-and-go lunch.
 - Meals will continue to be provided daily for all students at the school in a grab-and-go manner.
 - Students would receive all assignments and instruction for the week on the two days they attend in person, and assignments would be completed the three remaining days remotely.
 - Afternoon virtual support sessions would be offered for students needing more guided instruction and/or additional assistance.
