1. Please check the one that best describes your role in our schools:

- Parent/Guardian: 86.1%
- Student: 17.6%
- Teacher: 49.9%
- Teacher/Parent of School-age Children: 30.8%
- Classified Employee: 17.6%
- Administrator: 49.9%

2. For the 2020-2021 school year, will your child be enrolled in:

- Elementary School: 49.9%
- Junior High School: 30.8%
- High School: 17.6%
- Preschool: 17.6%
3. Where do you live?

1,464 responses

- Pioneer / Pine Grove: 31.6%
- Jackson: 17.5%
- Sutter Creek: 8%
- Ione area: 22.3%
- Plymouth area: 20.6%

4. How likely is it that you will send your student to school in August for each of the following options?

- Full-time Distance Learning:
  - Very Likely: 400
  - Moderately Likely: 300
  - Slightly Likely: 200
  - Not Likely: 100

- Hybrid Model (Students attend in person at the school site part-time and participate in distance learning part-time.):
  - Very Likely: 500
  - Moderately Likely: 400
  - Slightly Likely: 300
  - Not Likely: 200
5. Which one of the draft options would best meet your student’s and family’s needs?
1,261 responses

- Hybrid Model: 79.4%
- Full-time Distance Learning: 20.6%

6. Families of incoming TK/K students, what will help you feel comfortable with sending your child to school?
514 responses

- Scheduled time to meet the teacher and …: 259 (50.4%)
- Fewer children in the classroom at a …: 291 (56.6%)
- Children required to wear masks: 48 (9.3%)
7. If we return to full-time distance learning, it is likely that:
1,412 responses

- My child will remain enrolled in an ACUSD school. 40.7%
- I will enroll my child in an Independent Study program with ACUSD. 40.8%
- I will enroll my child in an accredited homeschool program, not with ACUSD. 33.5%
- I will leave the county. 10.8%
- I will leave the state. 33.5%

8. If full distance learning was limited to one semester for the 2020–21 school year, how likely would you stay enrolled in ACUSD schools?
1,420 responses

- My child will remain enrolled in an ACUSD school. 33.5%
- I will enroll my child in an Independent Study program with ACUSD. 52%
- I will enroll my child in an accredited homeschool program, not with ACUSD. 81.3%
- I will leave the county. 10.8%
- I will leave the state. 33.5%

9. If we could return to full-time traditional school in our physical school buildings not following or minimally following the Centers for Disease Control’s (CDC) social distancing guidelines, it is likely that:
1,437 responses

- My child will remain enrolled in an ACUSD school. 81.3%
- I will enroll my child in an Independent Study program with ACUSD. 10.8%
- I will enroll my child in an accredited homeschool program, not with ACUSD. 33.5%
- I will leave the county. 10.8%
- I will leave the state. 33.5%
10. If we implement a hybrid or blended approach (part-time at physical school and part-time distance learning), it is likely that:

1,414 responses

- 59.5% My child will remain enrolled in an ACUSD school.
- 26.6% I will enroll my child in an Independent Study program with ACUSD.
- 10% I will enroll my child in an accredited homeschool program, not with ACUSD.
- 1% I will leave the county.
- 3% I will leave the state.

11. As a result of the Coronavirus pandemic and the possible decline of enrollment leading to a possible need to have one comprehensive high school in the county, how likely would you keep your child(ren) enrolled in the one high school?

1,191 responses

- 74% I will disenroll my child if there is only one high school.
- 26% My child will continue to be enrolled if there is only one high school.
12. If we could attend physical school and not have to follow the CDC guidelines (such as social distancing and masks), would you send your child to school?

1,418 responses

- Yes, I am not concerned with the CDC guidelines. 24.5%
- No, I won’t send my child unless the CDC guidelines are followed. 75.5%

13. If your student rides the bus to get to and from school, how important is it to you that all students riding the bus are social distancing on the bus? (This means up to 15 students would be allowed on the bus at a time versus the usual 60 students on a large bus creating an increased annual cost of approximately $1 million for transportation services.)

1,186 responses

- I'm not concerned with social distancing on the bus. 25.3%
- We must follow the social distancing guidelines on the bus. 74.7%
14. Would you be able to get your child to physical school if transportation by a school bus is eliminated next year?

1,433 responses

- Yes: 80.5%
- No: 19.5%

15. To what extent does your need for child care impact the format in which we return to school?

1,435 responses

- Great extent: 48.9%
- Moderate extent: 29.5%
- Little extent: 12.8%
- Not at all: 8.8%
