California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Our mission is to build self-esteem and responsible, lifelong learners. The staff at Ione elementary strives to accomplish this goal by nurturing the intellectual, physical, emotional and moral capacities of each and every student. This positive environment enables all of our students to profit from continued academic success which can ultimately lead to a fulfilling life as a contributing worker and citizen in our society. Our Parent/Faculty Club and community partnerships bring more than fundraising to our school - they help create the sense of family and community that is essential to the Ione Elementary School experience. The Ione Elementary School community serves as a caring and concerned extended family that is dedicated to academic excellence and the growth of the whole child.

School Facility Conditions and Planned Improvements

Ione Elementary School's buildings and 28 classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to assure that they are sanitary and in proper working condition. The principal walks the site daily to look for hazards and, if found, they are addressed immediately.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	26%	27%	42%	46%	48%	48%
Mathematics (grades 3-8 and 11)	25%	30%	28%	32%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	224	222	99.11%	27.48%
Male	115	114	99.13%	21.05%
Female	109	108	99.08%	34.26%

Students with Disabilities	53	53	100.00%	--
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parents and community members play an integral role at Ione Elementary. Every day, parents sign in at the school office and go to classrooms to work as volunteers. They tutor students, run the Home Library classroom program, make presentations, teach music, prepare materials, help at Game Day and chaperone field trips. Without parent volunteers, our school would not be able to offer the rich services and support to students that we count on. Within this school year, this parent group is sponsoring classroom music and art, as well as providing field trip transportation and funding numerous class projects.

Parents make up one-half of the School Site Council, the governing body of our school. The council surveys parents, monitors the educational program, helps to set annual goals and approves the budget for spending for specific purposes. Our Parent/Faculty Club raises money and plans activities that directly benefit all students. The PFC is extraordinary in its support of students and teachers. Finally, Ione Elementary School partners with the Amador County Unified School District for Title 1 Parent Nights which topics such as curriculum, instruction, character development and bullying are addressed.

School Safety Plan (School Year 2017-18)

Ione Elementary School strives to maintain a safe, healthful and orderly school campus that encourages a positive attitude among our staff and students. Our School Safety Plan includes information and procedures for emergency situations and it is reviewed annually. We conduct monthly fire drills, quarterly earthquake drills, as well as lockdown drills twice per year. Any safety hazard is reported and reviewed immediately and steps are taken to correct the hazard. Time is scheduled at each staff meeting to discuss safety issues.

Our School Safety Plan is reviewed annually by our School Site Council and then approved by the school board.

Professional Development

16/17: 4.5 days

15/16 4.5 days

14/15 4.5 days

In the 16/17 school year, we had a total of 4.5 days in the Amador County Schools calendar set aside for professional development and continuous professional growth. The areas of focus for these 4.5 days were selected using student achievement data, teacher surveys, needs determined by our Single Plans for Student Achievement, the new Common Core Standards, our instructional leadership team feedback, and implementation strategies thereof, as well as results from Response to Intervention classwork.

Professional development is delivered via after school workshops, summer institutes, release days and conference attendance – along with individual teacher mentoring. Teachers are supported through these processes with in-class coaching, teacher/principal coaching and discussions with focus on our project-based minimum days. Our district has a current focus on math, NGSS, literacy, and using high-leverage strategies.
