

AMADOR COUNTY UNIFIED SCHOOL DISTRICT  
MAINTENANCE WORKER I

DEFINITION

Under general supervision, to keep buildings, grounds, cafeterias, gymnasiums, locker rooms and office spaces clean and orderly; to perform custodial, groundskeeping and light maintenance tasks in the care of the campus; to issue, receive, store and make minor repairs to furniture and equipment; and to perform related work as required.

CLASS CHARACTERISTICS

Positions in this class perform the custodial, light maintenance and grounds work on a school campus. Incumbents typically perform duties under the supervision of a school principal; however, technical and operational direction is received from the Custodial Operations Supervisor and the Maintenance Supervisor. An exception to the above may occur during breaks (winter, spring, summer, etc.) in the instructional calendar when the incumbent may perform duties under the direct supervision of the Custodial Operations Supervisor and the Maintenance Supervisor. The following duties are typical of the positions in this class collectively. No one incumbent is necessarily expected to perform all of the duties listed. Incumbents are cross-trained and one incumbent may perform duties in other classes. Incumbents respond to requests from faculty and administrators during instructional hours in accordance with established guidelines. Positions in this class perform work which is highly structured, and which is performed in accordance with established instructions. Incumbents work on restrictive time schedules demanding stamina and attention to continuing deadlines. During vacation periods, incumbents may perform work at a higher level in the maintenance series as directed on a temporary basis.
