5:00 pm—6:00 pm

Amador High cordially invites incoming students and families to attend our annual 8th Grade Parent Night. This year, our event will be held virtually in a Town Hall-style presentation. We will provide families with information about Amador High, including course offerings, programs, and the pre-registration process. Participants will then have the opportunity to ask questions of our counselors and administrators. We are looking forward to meeting our new students and families!

Please visit our website at <https://amadorhs.amadorcoe.org/> for the virtual meeting link. Also, check your mailbox soon for more information, including your child's math and English course recommendations.

Argonaut is requesting the presence of its incoming 8th grader families for an annual "Argonaut 101" night. This year, Argonaut will host the event virtually in an Open House format. The purpose of the event is to allow parents and students the opportunity to "meet" teachers, receive an overview of freshman classes, and ask questions prior to filling out course registration request forms. We are looking forward to meeting new members of the Mustang Family!
