

AMADOR COUNTY UNIFIED SCHOOL DISTRICT

AMADOR COUNTY OFFICE OF EDUCATION

Transportation Department

545 Independence Drive, Sutter Creek, CA 95885 • SNOW INFO LINE: (209) 257-5355

Dear Parent/Guardian:

WHEN CORRIDOR BUSING IS CALLED IT WILL BE FOR THE WHOLE DAY EVEN IF THE CONDITIONS IMPROVE AND ROADS ARE PLOWED AND CLEAR.

There may be certain times in the school year when the Transportation Department must call a corridor busing schedule, a two hour delay or a "snow day" due to very severe weather conditions. When snow is present school buses will stay on Hwy 88. Transportation will have designated stops along Hwy 88 where parents may take their students. Parents are responsible for the safety of their students until buses arrive. The bus schedule affects students above Ridge Road and Hwy 88 in Pine Grove and Pioneer and Shakeridge Road in Fiddletown. Students **BELOW** Upper Ridge Rd, Climax, & Hwy 88 in Jackson & Lone will be on normal bus schedule unless otherwise notified. *The bus will not travel on roadways that have not been plowed by County Road Department or Cal Trans. such as Red Corral. Please call our snowline 209-257-5355 for updated information.

The schedule for school routes will be serviced as follows:
