## Teacher Survey Data September 14-17, 2020

Do you support returning to the classroom for in-person instruction when we are eligible, based on the California Department of Public Health's guidelines?

163 responses

- Yes, I believe we can safely return to our school campuses for in-person instruction.
- No, I think it's too soon and we need to continue with distance learning.
- I support returning to the school campus only when it is allowable for all students and staff to return 100% with no restrictions.

If you answered yes to question 3, which in-person option do you support? (Check all that apply)
