Two Options for Families for a Safe Return to School Campuses

As we plan for returning to school buildings for in-person learning in a hybrid model, families will need to decide which option works best for each student. In order to support Distance Learning and the Hybrid Model at the same time, classes will be reconfigured to allow for necessary staffing adjustments. As a result, **some students will be assigned new teachers**. Once the family selects an option, they will be committing to this for the remainder of the 2020-2021 school year, unless the State Public Health Officer declares that we are able to return all students to school for in-person learning with no restrictions. Please take time to learn about each option and participate in the upcoming town hall meetings to ask questions. All students will be assigned to the Hybrid Model as the default with an option to opt in to Distance Learning through an enrollment form in early October.

Distance Learning Option	Hybrid Model Option
<p>This option is the improved version of Distance Learning in place since August 2020 with some changes as we add the Hybrid Model.</p>	<p>This option allows students to attend school for in-person instruction part of the time.</p>
<ul style="list-style-type: none"> ● Junior high and high school students will use the online Edgenuity platform and be assigned a new teacher. ● Elementary students will likely be assigned a new teacher. ● Attendance will be taken daily. ● Students will interact virtually with the teacher and peers daily. ● Instruction will be purposeful and standards-aligned. ● Live instruction and other lessons may be recorded and available for viewing. ● Work packets may include paper/pencil work, workbooks, online assignments, and/or other materials. ● Teachers will continue to provide intervention, English Learner support, and Special Education support for identified students. ● Meals will continue to be provided at the schools in drive-through fashion. 	<ul style="list-style-type: none"> ● Elementary students will come to school four (4) days a week (Monday, Tuesday, Thursday, Friday) for three (3) hours each day (morning and afternoon cohorts). ● The current plan is for secondary students to come to school for two (2) full days (Monday/Tuesday or Thursday/Friday). ● Elementary students may be assigned a new teacher. ● Students are given a combination of packets and online learning to complete during the times they are not at school for in-person instruction. ● Cohort size will be determined in order to maintain the 6 foot social distancing requirement (roughly 12-14 students). ● Daily health screenings (temperature checks) are required. ● Masks must be worn. ● Transportation will be limited to areas furthest from schools. ● Attendance will be taken daily in-person and/or virtually for the cohort not in-person. ● Teachers will continue to provide intervention, English Learner, and Special Education support for identified students. ● Grab and go meals will be provided. ● Staggered start and dismissal times may be arranged to maintain social distancing, do temperature checks, and avoid large numbers of people in an area at one time. ● Family members and visitors will not be allowed on campus, but are encouraged to call the school office to make virtual appointments.
